

## § 741.6

### § 741.6 Financial and statistical and other reports.

(a) Each operating insured credit union must file with the NCUA a quarterly Financial and Statistical Report on or before January 22 (as of the previous December 31), April 22 (as of the previous March 31), July 22 (as of the previous June 30), and October 22 (as of the previous September 30) of each year. Insured credit unions with assets of \$10 million or greater must file all quarterly reports on Form NCUA 5300. Insured credit unions with assets of less than \$10 million must file their first (due April 22) and third (due October 22) quarter reports on Form NCUA 5300SF or Form NCUA 5300 and their second (due July 22) and fourth (due January 22) quarter reports on Form NCUA 5300.

(b) *Consistency with GAAP.* The accounts of financial statements and reports required to be filed quarterly under paragraph (a) of this section must reflect GAAP if the credit union has total assets of \$10 million or greater, but may reflect regulatory accounting principles other than GAAP if the credit union has total assets of less than \$10 million (except that a Federally-insured State-chartered credit union may be required by its state credit union supervisor to follow GAAP regardless of asset size).

(c) *GAAP sources.* GAAP means generally accepted accounting principles, as defined in § 715.2(e) of this chapter. GAAP is distinct from GAAS, which means generally accepted auditing standards, as defined in § 715.2(f) of this chapter. Authoritative sources of GAAP include, but are not limited to, pronouncements of the Financial Accounting Standards Board (FASB) and its predecessor organizations, the Accounting Standards Executive Committee (AcSEC) of the American Institute of Certified Public Accountants (AICPA), the FASB's Emerging Issues Task Force (EITF), and the applicable AICPA Audit and Accounting Guide.

(d) Insured credit unions shall, upon written notice from the NCUA Board or Regional Director, file such financial

### § 741.7 Conversion to a state-chartered credit union.

Any federal credit union that petitions to convert to a state-chartered federally insured credit union is required to apply to the Regional Director for continued insurance of its accounts and meet the requirements as stated in the Act and this part. If the application for continued insurance is not approved, such insurance will terminate subject to the conditions set forth in section 206(d) of the Act.

### § 741.8 Purchase of assets and assumption of liabilities.

(a) Any credit union insured pursuant to Title II of the Act must apply for and receive approval from the NCUA Board before either purchasing or acquiring loans or assuming or receiving an assignment of deposits, shares, or liabilities from:

(2) Assumptions or receipt of deposits, shares or liabilities as rollovers or transfers of member retirement accounts or in which an NCUSIF-insured credit union perfects a security interest in connection with an extension of credit to any member.
